“The Seductress 4,” opens with Freya, a young actress who desperately wants the lead role in the new horror movie from director Tommy Pistol. After a successful audition, there's a sudden change of plans and the lead role ends up going to Pistol's wife Ryan. But Freya is unfazed as she plots to do whatever it takes to once again be the star of the movie and enlists the help of her hapless boyfriend in a wild scheme involving sex, lies and kidnapping.

The DVD includes behind-the-scenes footage, a photo slide show, animated chapter index and more.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couple's oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
