“Blake and Skye are a perfect combo as they share their playful and sensual side for Lesbian X fans in this hot new release,” said Jon Blitt, head of production for Lesbian X’s parent company, O.L. Entertainment. “Mason presents four outstanding scenes of sapphic passion with a talented cast of adult performers at their most passionate.”

“Lesbian Superstars 3,” features some of the industry’s most captivating lesbian performers in intensely erotic and chemistry-laden scenarios of true sexual passion.

The movie was shot in 4K ultra HD, featuring true passion and real orgasms, a photo slide show and more.

The new release follows the highly popular “Lesbian Superstars 2,” which was hailed by AdultDVDTalk’s [Captain Jack](#) who wrote “This was a hot release from Lesbian X. These were hot girls making love to each other. The only one I could refer to as a performance would be Violet and Eliza for there was a lot of screaming in that one. Hazel and Freya just put in a sexy scene. These two were really into it and just wanted to pleasure each other. Leana and Liz are two of my favorites and they just put in a sensual scene. Lily and Braylin had great chemistry and did a great job together!”

Lesbian X is diverse, both visually and sexually in its celebration of women and their beauty. Capturing each unique experience while staying true to director Mason’s trademark stylistic, high-quality visuals. The movie is available now on www.LesbianX.com.
