***The Adult Superstar Likes to Watch in the Newest Release from Mile High Media's Acclaimed Couples Studio!***

**MONTREAL, Quebec (Dec. 13, 2023)** – Adult superstar Alex Coal headlines “The Voyeur 6,” from [Mile High Media](#)'s couples' erotica studio [Sweet Sinner](#). The movie is now available in all formats.

The award-winning performer and cover model taps her kinky side as she plays a young woman who discovers the thrill of being a voyeur in director Mike Quasar's newest film. The cast includes Melissa Stratton, Bunny Madison, Millie Morgan, Derrick Pierce, Nathan Bronson, Ryan McLane and Tommy Pistol.

“Lovely Alex Coal is at her most seductive in this compelling erotic drama that takes you behind the closed doors of passionate couples,” said Mile High Media Vice President Jon Blitt. “Alex, along with her fellow starlets, is a delight as she engages the viewer with her beauty and sensual charm that takes them into the curious world of a voyeur.”

“The Voyeur 6,” tells the story of Alex, who has always been more comfortable as an observer than a participant. So when she was offered a remote job managing rental properties, she thought she'd found the perfect situation. Soon, however, she began to witness the drama and sexual situations of her guests and something started to change in her. She was now living out her deepest fantasies through the cameras in front of her, but never realized that someone might also be watching her.

The DVD includes behind-the-scenes footage, a photo slide show, animated chapter index and more.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couple's oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. ### **About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line) and TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is a continual trendsetter, earning [AEBN.net](#) 2012 Studio of the Year title and FSC 2016 Production Company of the Year.
