SEX ON SIGHT PREMIERES ITS FIRST FULL LENGTH TITLE 'BLIND HOOK-UPS'

Mile High Media's Newest Studio Matched Melissa Stratton, Nicole Aria and Chantal Danielle in Sexually Charged Pairings Sight Unseen!

MONTREAL, Quebec (May 8, 2024) – [Mile High Media](#)'s new reality-themed studio [Sex On Sight](#) is debuting its first full-length title, "Blind Hook-Ups," featuring beautiful adult stars having hot unscripted sex, after matching sight unseen.

Awarded director Mike Quasar helms the debut release starring cover model and 2024 AVN Best New Starlet nominee Melissa Stratton, along with petite stunner Nicole Aria and blond bombshell Chantal Danielle as they are revealed like never before, in spontaneous hook-ups, based on their Sex On Sight erotic profiles.

"Lovely Melissa Stratton is pure fire as she shares her most intimate side in this explosive new release," said Mile High Media Vice President Jon Blitt. "It's three gorgeous women in three wild sex scenes where chemistry and passion are front and center, as the camera roles and they meet their sexual match for the first time."

The Sex On Sight debut release was shot in ultra HD and follows three talented performers who are matched with like-minded fellow adult performers in three intensely erotic sexual encounters.

Sex On Sight features top adult stars who take a unique sex survey created by the company with renowned sex therapist. Matched by compatibility, the performers have no idea who they will have sex with until they remove their blindfolds.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line) and TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is a continual trendsetter, earning [AEBN.net](#) 2012 Studio of the Year title and FSC 2016 Production Company of the Year.
