"Stunning cover model Ava Marina is 19 and new to the industry, but she comes through like a champ in her captivating scene," said Jon Blitt, Mile High Media VP. "Mason takes you into the world of sexy young lovelies as they share their charm and sensual talents in the series' newest chapter."

"Super Cute 20," features some of the industry's cutest and most adorable starlets in intense hardcore action. Shot in 4K Ultra HD, the movie includes a slide show of exclusive photos, animated chapter index, no regional coding and more.

The new release follows the success of "Super Cute 19," which was well received by AdultDVDTalk's [Captain Jack](#) who wrote "This was an excellent release from Mason for Hard X. Molly is amazing in her first blowbang! You would think the girl would be in control in a scene like that but the guys just used every body part to satisfy them! Hailey has impressive tits and an insatiable sex drive and put in a hot scene. Ellie was fantastic and put in a dynamite scene. And Melody was fantastic. She loves getting manhandled and Codey obliged!"

Hard X productions uses gorgeous locations and high-end production values to capture the beauty of the performers and the passion of the sex. In contrast to its sister studio, Erotica X, content from Hard X include the wildest, kindest, and dirtiest sex available to fans, all featuring Mason's trademark style.
