Shot in 4K Ultra HD, “The Seductress 5” tells the story of Millie and her sister Haley who are leaving for a vacation to an exclusive resort in the Caribbean. Along for the trip are Haley's new boyfriend Shawn and Millie's new boyfriend Nathan, who Haley has known since high school. Millie has always been in and out of many relationships, but now she swears that Nathan is the only one. All is well until she meets a married man at the resort and starts to slip back into her old slutty habits, leaving Haley with a choice of warning Nathan and ruining the trip or hoping that Millie comes to her senses in time.
