Nurses Sarah Vandella & Rebeca Linares Raise Consumers' Heart Rates!

MONTREAL, Quebec (July 13, 2011) – Reality Junkies' "Big Breast Nurses 6" releases on DVD today. From Mile High Media,

Reality Junkies places the hottest porn stars in real-life scenarios. The combination of reality and fantasy creates

scenarios like Nurse Sarah Vandella assisting the doctor below the operating table, or Nurse Rebeca Linares giving a

patient extra attention. "Big Breast Nurses 6" also stars Jazy Berlin, Yurizan Beltran and Rachel Starr. It's the newest

addition to the wild series from Director Bobby Manila, which has consumers' heart rates on the rise, as they rush to buy

Volume 6.

Hospital rules won't allow a patient to have his own private nurse, but the rules don't apply in "Big Breast Nurses 6".

Nurse Rebeca spends all her time caring for one patient, but she is not there for medical reasons. Nurse Rachel has a

soft spot for a patient who's really down on his luck. Lucky for him, she's about to lift his spirits to new found

heights. The Doctor needs a huge favor from Jazy, and she's not too pleased. Lucky for her, a good deed goes a long,

long way. During surgery, the doctor discovers Nurse Sarah is completely useless. She shows him the other talents, which

allowed her to graduate from nursing school. Nurse Yurizan's past is catching up with her, and she desperately wants to

make sure no one else finds out her secrets. There's never a malpractice suit in the "Big Breast Nurses" hospital, as

patient satisfaction is the number one priority.

Mile High Media Vice President Jon Blitt says, "It's easy to see Bobby [Manila] has a lot of fun filming 'Big Breast

Nurses'. Nurses are a timeless fantasy, and the series allows us to cater to one of the most popular niches in adult

entertainment. Each new volume is a sure hit."

Reality Junkies recently announced the addition of DVD extras to each new release. "Big Breast Nurses 6" includes

striptease solo videos, behind-the-scenes interviews, a slideshow gallery and cumshot gallery.

XCritic.com reviewer Marine Hardcore gave the previous volume of "Big Breast Nurses" a  
"Highly Recommended" rating. He

wrote, "I highly recommend this video because the sex scores pretty much 100%...The picture  
is great. The BTS is 24

minutes long and interesting to watch with some good interchange with the starlets. There is  
solid replay value here and

Brandy's scene will have you returning to this disc time and time again. Get it!"

Mile High Media formed Reality Junkies in 2009 to produce XXX reality content. The studio's  
lines are directed by Bobby

Manila and Kevin Moore. Each line provides easily accessible scenarios, which allow for  
consumers to better enjoy the

wild action. In addition to "Big Breast Nurses", Reality Junkies' hit series include "Mom's  
Cuckold", "Babysitter

Diaries", "Cougar's Prey", "Couples Seeking Teens", "Office Perverts" and more!
