

MILE HIGH MEDIA & JACKY ST. JAMES REVISIT THE 80s IN NEW FEATURE 'WOMEN GETTING EVEN'

Sweet Sinner's Newest Release Goes Back to the 80s for a Sexy Comedy Starring Gia Paige, Mercedes Carrera, Jasmine Jae and Chloe Cherry

MONTREAL, Quebec (July 12, 2017) – Award-winning filmmaker Jacky St. James takes fans on a sexy romp through the 80s where female staffers turn the tables on their sexist male colleagues in “Women Getting Even,” from Mile High Media’s couples’ erotica studio, Sweet Sinner.

“Women Getting Even” stars Gia Paige, Mercedes Carrera, Jasmine Jae and Chloe Cherry in a throwback tale of sexy young women who must deal with 1980s office politics and sexist Alpha males. The feature is available on DVD now.

Box art and feature information can be found at Mile High Media’s site here: <http://www.milehighonline.com/product/movie/3920>.

“1980s was a great time where women were becoming empowered and more doors were opening for them, but it was still a struggle for a lot of women,” said St. James. “So it’s the perfect backdrop to this story of smart, accomplished women trying to overcome the sexism and lack of respect from their bosses. It’s a great vehicle for our talented cast to channel their inner naughty girl and turn the tables on these men who are trying to keep them down!”

“Women Getting Even,” tells the story of Kara who for years has aspired to be the top realtor at her company – but there’s only one problem – it’s overrun by a bunch of misogynistic pigs. Frustrated that her talent has been continually unrecognized, Kara conspires with her coworker, Crystal to take down everyone in the company, one man at a time. But, when Kara sees a softer side of one of the men, she must decide whether she’ll continue picking off each guy, one by one, or make an exception in the name of love.

“It’s a fun couples movie with exciting characters, sexy romance and hot sex galore,” St. James said. “It will definitely engage you and put you in the mood, with a perfect dose of 80s nostalgia!”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couple’s orientated erotica. Featuring forbidden sex, emotion and compelling storyline, each sex scene reveals the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. Jacky St. James joins AVN Hall of Famer James Avalon and Sweet Sinner creator Nica Noelle as directors for the leading couples-friendly studio.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line) and TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is a continual trendsetter, earning AEBN.net 2012 Studio of the Year title and FSC 2016 Production Company of the Year.
