“Chi Chi takes viewers into the world of taboo sex across three generations,” said Mile High Media Vice President Jon Blitt. “Viewers will be drawn in by the drama and passion of these unique stories. Michael Roman, Jack Dyer and the rest of the cast are dynamite with an intensity and chemistry that will engage and captivate fans.”

“My Stepdad’s Stepdad” opens with granddad’s birthday as his stepson throws him a party as he does every year. Along with his son, his stepson and his ex-wife, they always make this day special for him. The day gets a whole lot more special when granddad’s sexy, step-grandson stays to help clean up the house and granddad’s dick. Next, when steppad Michael Roman goes to pick up his stepson, young ginger boy Zach Covington from football practice, hooking up and getting his freak turn out to be more important than any game.

In scene 3, hot friends, horse hung Papi Suave and Max Adonis, heat things up in the spare room and Colby Tucker and Jackson Reed sneak away from the party to munch on each other’s cakes and swap cum loads. This is totally keeping it all in the family!

Movies from Icon Male are unique to the gay marketplace and embody what fans have come to expect from directors Nica Noelle, Dana Vespoli, and Chi Chi LaRue— genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.
