Also living in the sexed-up house in "Filthy Family: Volume 5" are Johnny Castle, Rocco Reed, Chris Johnson, Charles Dera, and Anthony Rosano.

In "Filthy Family: Volume 5," April can't help crushing on her dad's partner, Rocco. So when he comes by for some work, she offers him a whole new kind of workout. Dana is a concerned teacher who only wants the best for her student, Johnny, even if it means extra lessons in his bedroom. The family antics spread to the friends of the kids, as Jessie and Chris take advantage of the house for some filthy fun. The kids think their dad, Charles, is uptight, so they bring him an even tighter piece of ass to help him unwind. Mom needs a bit of release too, so the kids bring her the gardener to rake her turf and spill some seeds. The "Filthy Family" series proves horniness is genetic.

Mile High Media Vice President Jon Blitt says, "Consumers love this series. 'Filthy Family' combines playful, fun scenarios, hot sex, and the best porn stars to create winning movies."

AdultDVDTalk.com reviewer Rosco Fuji discusses the pluses of the previous volume of "Filthy Family": "Hot girls who are into the hot sex. Excellent camera work. There are no weak points here...This is a very

good release and its one family that's filthy enough for my taste. This series continues its winning ways."

Reality Junkies recently announced the addition of DVD extras to each new release. "Filthy Family: Volume 5" includes behind-the-scenes videos, solo scenes, slideshow gallery, and cumshot gallery.

Mile High Media formed Reality Junkies in 2009 to produce realistic XXX content. The studio's lines are directed by Kevin Moore and Bobby Manila. Each line provides easily accessible scenarios, which allow for consumers to better enjoy the wild action. In addition to "Filthy Family", Reality Junkies' hit series include "Couples Seeking Teens", "Mom's Cuckold", "Big Breast Nurses", "Cougar's Prey", "Too Big for Teens", "Babysitter Diaries" and more!

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
