

## **MILE HIGH MEDIA'S NEW SERIES, "THE NEIGHBORS" STARS JESSIE ANDREWS & LILY CARTER**

### ***From Sweet Sinner & James Avalon, "The Neighbors" Reveals Suburbia's Underbelly of Scandals, Lies, & Forbidden Sex***

**MONTREAL, Quebec (August 21, 2012)** – Volume 1 of Mile High Media's new series, "The Neighbors" is now available on DVD. From couples-friendly studio Sweet Sinner and director James Avalon, "The Neighbors" is filled with scandals, lies, and forbidden sex – in other words, a normal day behind the white picket fence of suburbia.

A taste of sexy stars Jessie Andrews and Lily Carter may be found in the SFW (safe-for-work) trailer for "The Neighbors": <http://youtu.be/7GaLNKDRi2Q>.

Box art and product information on "The Neighbors" is available at <http://www.milehighonline.com/product/movie/2217>.

In "The Neighbors" Jessica and Dick (Jessie Andrews and Dale Dabone) live together in a sweet, love-filled house, until the house next door becomes invaded by the wild young couple Rachel and Frank (Lily Carter and Richie Deville). Jessica welcomes the new neighbors, but what she doesn't know is Dick and Rachel aren't exactly strangers. Illicit affairs and passionate sex rock the sleepy suburbs.

Mile High Media Vice President Jon Blitt states, "When we conceived of couples-friendly studio Sweet Sinner several years ago, 'The Neighbors' was exactly the type of movie we set out to create. The storyline and filmmaking are top level, creating an erotic experience men and women can enjoy together... or separately."

Avalon shot "The Neighbors" on the Cannon 5D for premium HD quality.

James Avalon's features tend to be more than just quirky and interesting, with a penchant to cater to "the thinking man" who wants porn, while maintaining a reputation for keeping hard, intense and varied sex in his movies. Avalon competes well with the sexual intensity and hardcore level of most any style release, as demonstrated by winning over 20 adult

awards in categories varying from *Best Group Sex Scene*, *Best Couple* and *Best Oral Sex Scene* to *Best Director*, *Best Film*, *Best Editing* and *Best American Film*.

Combining a strong sense of story, character and visual style, his recent romance films have also gained impressive recognition. Avalon won *Best Straight Film Of The Year* (2011) by the Feminist Porn Awards, and his work is one of only three straight features from across the globe accepted by the Berlin Porn Film Festival, to showcase the new trend in realistic sex driven by realistic characters.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. The results are adult movies hot enough for him and passionate enough for her. For more information, visit [www.SweetSinner.com](http://www.SweetSinner.com).

#### **About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
