In addition to mature beauty India Summer, “The Neighbors: Volume 3” features an A-list cast, including Maddy O'Reilly, James Deen, Michael Vegas, and Steven St. Croix.

“The Neighbors: Volume 3” begins when a young man tries to attract the attention of a cute girl who just moved in next door by setting up his dad with her mother. Though trying to help his son win the girl's attention, the father discovers the young girl's amorous intentions are for him, an older man. But not all is lost when the young man discovers her mother has a thing for younger men. The generational gap shrinks in 4 riveting sex scenes.

Mile High Media Vice President Jon Blitt says, “The erotic stories between neighbors has grabbed ahold of consumers, and our strong sales are proof. ‘The Neighbors’ taps into the suburban fantasies of anyone who has stared across the fence a little too long.”

“‘The Neighbors’ is an extremely well done feature,” writes AdultDVDTalk.com reviewer AstroKnight. “It's all very couples friendly, but there's great chemistry in each scene and the action is all very well

captured... 'The Neighbors' is a very impressive adult feature that I can't help but highly recommend."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
