In “Sinderella & Me”, Sweet Sinner revisits one of the most romantic fables of all time, adding raw sex, passion and explosive orgasms. Allie Haze plays the gorgeous servant daughter whose evil step-mother (Darla Crane) and cruel stepsisters (Dylan Ryan and Jiz Lee) are determined to keep her away from rich bachelor Manuel Ferrara’s 30th birthday bash. A servant boy (Wolf Hudson) steps in to help the lovely Sinderella, but the stepsisters intervene and punish the hot, young stud by forcing him to attend to their every sexual need. The Fairy Godmother (DeLUXE) comes to Sinderella’s rescue, helping her make it to the ball, where she and Manuel fall in love at first sight. But what dirty little secrets do Manuel and Darla share, and how will the evil MILF use them to get her way with the “charming” Manuel? A surprising plot twist carries viewers along to a happy ending even better than an orgasm – but there are plenty of those too.

Mile High Media Vice President Jon Blitt says, “Sweet Sinner provides a high quality option to women and couples looking for more from adult entertainment. The studio takes into account the needs of both sexes in order to create the best in erotic entertainment. Full of passion and realistic sex scenes, The Fairy Tale Series perfectly encapsulates our desire to bring couples closer through the ability to share in the enjoyment of adult movies.”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couple orientated erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
