Joining the sexy ladies in four passionate sex scenes are Steven St. Croix, Marcus London, Mr. Pete, and John Strong.

In "The Swinger: Volume 4," a real estate agent (Summer) discovers her new clients, a charmingly cultured couple (Avluv and London), are brazenly open about their swinging lifestyle. She's taken aback for a moment, then thinks about it. She's worked hard her whole life, and married her high school sweetheart (St. Croix). Could there be more in the way of sexual adventure for her? Or is it too late? She decides to find out. She's invited to a party, but wants to discuss things with her husband first. As it turns out, he's disgusted by the whole idea. Feeling she deserves more, she goes ahead on her own, and soon discovers an intoxicating, sexual world she never realized existed before.

Writer / Director James Avalon says, "Temptation and seduction are the key elements of 'The Swinger,' which means it's imperative our leading ladies are able to radiate sexuality. Chanel and Veronica are intoxicating, while India does an amazing job of portraying a woman peeling away the layers of her complex sexuality for the first time."

XCritic.com reviewer Sean DPS wrote in his review of the series first volume, "It seems that Sweet Sinner is on a little streak with me, with this movie getting a highly recommended rating...They are a couple friendly studio, that offers some hot and intense sex, and like I stated in the review, usually do a great job of pairing some great performers together. I hope you give them a chance, if you haven't already, I would be shocked if

you didn't enjoy what you see.”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
