MONTREAL, Quebec (July 8, 2014) – The year's most anticipated all-anal adult movie, "Allie," is finally available July 9th from O.L. Entertainment on DVD. The star showcase for Allie Haze is from the award-winning team of director Mason and studio Hard X. The stellar showcase features four anal scenes with the popular brunette, includes a boy/boy/girl three-way, her first IR anal scene with Lexington Steele and an anal threesome featuring Adriana Chechik. The scenes are the first on-camera anal scenes of Haze's career.

"There's no turning back now," laughs Allie Haze in her interview with Mason. "I'm actually doing this. As much as I prepared and tried to be ready with toys and other things, I still don't think I fully understand the concept of what's about to happen, so it's still a little bit nerve racking... but it's like an exciting nervous because I'm ready for the challenge."

She was most definitely ready, as the amazing movie proves. Allie Haze's first anal scenes come five years after her entrance into the adult industry. She has gone on to film over 250 movies since 2009, according to IAFD.com, but "Allie" is the only movie to date where she's offered her backdoor in every scene.

"This is one of the best movies I've done in five years. The wait is finally over and the response has been amazing so far. I am so grateful to Hard X for letting me spread my wings and embrace this awesome experience. All the talent in this movie was amazing and the chemistry...well it's undeniable," says Allie Haze.

"Allie" also features James Deen, Manual Ferrara, Mick Blue, and Ramon Nomar.

"I'm so excited that everyone finally gets to see what we all worked so hard on together," says Mason. "I am still so impressed by Allie's efforts and am honored I got to take this journey with her. Special thanks go out to the supporting cast and crew that gave everything to this project. I am

forever grateful."

In addition to the four hardcore anal scenes in "Allie," fans purchasing the DVD will also be treated to in-depth interviews and a behind-the-scenes look into the first on-camera anal escapades of porn's ultimate girl-next-door.

"Allie," like all Hard X and O.L. Entertainment productions, uses gorgeous locations and high-end production values to capture the beauty of the performers and the passion of the sex. In contrast to its sister studio, Erotica X, movies from Hard X include the wildest, kinkiest, and dirtiest sex available to fans, all featuring Mason's trademark style.

Hard X's official membership website, www.HardX.com, will also feature the superstar showcase, however all four scenes are only available on DVD upon release date. Fans may now join the site to enjoy the first scene for "Allie."
