"I really enjoy working with family themes, especially when it's an older-younger love story like The Stepfather," says Nica Noelle. "Adam Russo plays a deeply closeted man making a last-ditch effort to settle down with a safe, easygoing woman before he gets too old. But her teenage son, played by Casey Tanner, awakens Adam's latent desires for men in an overwhelming way. As the teen and his stepfather-to-be fall in love, Casey's jealous boyfriend, brilliantly played by Connor McGuire, senses their attraction and decides to threaten the older man. This film has plenty of taboo sex, inner conflict, and explosive older/younger sex scenes. All of the performers did an outstanding job, and I think the fans are going to get more than their money's worth."

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
