"It's always exciting to start a new series, and 'Schoolboy Fantasies' was especially thrilling because I worked with so many models I hadn't met before," says Nica Noelle. "Lucca Killian, Rock, AJ Monroe, Doug Acre - there are so many faces new to Icon Male fans. It was also great reuniting with Aaron Slate, who has grown up a lot since I last worked with him. The boy is a man now!"

"Fans of older/younger scenes are going to especially enjoy 'Schoolboy Fantasies'. I hope they let us know who they want to see more of in future titles on twitter, because feedback from the fans is what I live for, and we do listen," continues Nica Noelle.

In this lustfully, charming new series we peek in on male students who have the hots for their professors - and sometimes for each other. Slender teenager Lucca Killian desperately seeks acceptance from rock hard coach Rock in a scorching locker room shower scene, and sexy young Alex Greene is so desperate for professor Adam Russo that he'll do anything to get the older man in bed one last time. Aaron Slate and AJ Monroe are sexually frustrated dorm roomies who turn to each other, and Doug Acre finds solace in the arms of academic father figure Brett Bradley. Real sex, real positions, real orgasms, no dissolves.

## About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led [AEBN.net](http://AEBN.net) to name Mile High the 2012 Studio of the Year.
