Directed by Dana Vespoli, "Lesbian Beauties 13: Black & Asian" features black starlets Ana Foxxx, Chanell Heart, Skin Diamond, and Misty Stone. The dark skinned ladies are paired with Asian starlets Lily Ocean, Cindy Starfall, London Keyes, and Angelina Chung.

"Lesbian Beauties 13: Black & Asian" includes four electric scenarios of interracial pleasure from the mind of Dana Vespoli. To start, dominatrix Skin is confronted by fellow domme London after Skin gets her fired from the dungeon for dangerous behavior. The punishment ends up being quite pleasurable. In the next scene, judgmental Cindy comes head to head with Chanel after Cindy discourages their Asian pal from dating outside her own race. Chanel is able to change Cindy's mind with some hot tongue action. Next is Angelina, who is stuck in a relationship with a sugar momma control freak, but her buddy Misty Stone comes to her rescue. Finally, gorgeous Lily and Ana are contestants on a top-model contest show, but rivalry and jealousy get the best of them and a hot, sexy cat fight ensues.

Dana Vespoli states, "With Volume 13, we really wanted to highlight some of the additional aspects of interracial porn by making all the pairings black and Asian. These are some stunning women who absolutely devoured each other sexually the second I yelled 'action'!"

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
