Nica Noelle describes her muse saying, "Jessy is one of those women who really turns your head - she has so much star quality and charisma. When she's in the room, no one can take their eyes off her. As soon as I met Jessy I knew I wanted to do a whole movie with her. She's gorgeous, sexy, funny, dynamic, passionate - she has everything. I wanted the fans to get to know her on a deeper level, and I think Jessy Dubai TS Superstar really captures all the fascinating sides to her personality and womanhood."

Peek inside the private world of gorgeous TS goddess Jessy Dubai, one of the most inspiring and passionate women ever to grace adult cinema. Director Nica Noelle follows her muse Jessy on the Latin beauty's passionate encounters with four very different men. American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
