During one of Mason's trademark interviews with Abella, the young performer admits, "I feel most beautiful during sex because it's a really raw state that you're in. You're kind of opening up and letting a person see you when you're most vulnerable. You're giving all of yourself to someone else and giving them the opportunity to make you feel really good."

"Abella" is a powerful journey into the heart and soul of a passionate, budding starlet.

"I'll never forget the day Mason told my agent, Spiegler, how much she liked me and how much she adored my passion," recalls Abella. "It was so amazing to hear that from someone that I consider so inspiring. Mason, in my opinion, is a creative genius. And not only that but she has the most unique love for making the most passionate, intense, beautiful, and raw sex come to life before her eyes."

"I love having sex in front of Mason more than anyone – I don't know how she does it, but she creates the perfect environment for the perfect sex with the most incredible orgasms. I can also more than guarantee you'll see a side of me you have never seen before with the most deep, emotional interview I've done. I cannot wait for everyone to see 'Abella' because I truly had the best sex of my life and my best experience since entering the adult industry. It's all thanks to Mason, Jon Blitt, and Mile High Media. Thank you so much," adds Abella.

In an unforgettable sex scene with Manuel Ferrara, passion and desire collide, as Abella surrenders to her unrelenting need for anal pleasure. To view the trailer for Abella's scene with Manuel, click [here](#).

The showcase's second scene includes an IR anal rendezvous with Ricco Strong, as Abella lets him fill her backdoor with his BBC. To view the trailer for Abella's scene with Ricco, click [here](#).

Superstar Kristina Rose joins the party in scene three for an anal showdown. The two curvy ladies tag-team Mick Blue, giving up their booties to him. To view the trailer for Abella's scene with Kristina and Mick, click [here](#).
