“TS Girls in Charge” stars TS beauties Jessy Dubai, Venus Lux, Mandy Mitchell, and Jessica Fox. Opposite the trans-ladies are Sarah Vandella, Sovereign Syre, Heather Vahn, and Vespoli.

“It is such a privilege to get to work with TransSensual,” says Vespoli. “I love how Mile High Media has positioned the studio at the pinnacle of trans porn, bringing a much needed element of quality and passion to the market.”

Scene one of “TS Girls in Charge” features two-time Transsexual Performer of the Year Venus Lux, as she puts pouty blonde Sarah Vandella in her place. In scene two, reality show “frenemies” Mandy Mitchell and Sovereign Syre come to blows as “Real Housewives.” Next is personal assistant Heather Vahn finding herself in a heap of trouble with superstar publicist Jessy Dubai. To conclude the series’ first volume, born again Christian Dana Vespoli picks the wrong house to visit when Jessica Fox turns the tables and saves Dana’s soul.

Inspired by Mile High Media and award-winning director Nica Noelle’s success with awarded gay romance studio Icon Male, and studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle’s distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.

In addition to directing for TransSensual, Dana Vespoli has also directed “[The Devil Is in the Detail](#)” for Icon Male.

## About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2000 titles, Mile High’s studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN to name Mile High the 2012 Studio of the Year and most recently the receipt of FSC 2016 Production Company of the Year award.
