"Fan reaction to the first volume of 'TS Massage' was exactly what we were hoping for, so we decided to move forward with additional installments in the series," says Mile High Media Vice President Jon Blitt. "I believe 'TS Massage' will quickly become one of the top selling trans series on the market."

TS cougars Foxy, River, and Sunday attend a business convention at a hotel and spa and immediately set their sites on hot masseurs Roman Todd and Jett Parker. While Foxy and Sunday enjoy full body massages from the muscular studs, uptight River refuses to indulge her senses. Foxy decides to find out why and discovers River's sexy secret.

Inspired by Mile High Media and award-winning director Nica Noelle's success with awarded gay romance studio Icon Male, and studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle's distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN to name Mile High the 2012 Studio of the Year and most recently the receipt of FSC 2016 Production Company of the Year award.
