"Many people – fans and critics alike – know Mile High Media for its erotic, couples-friendly films from studios like Sweet Sinner and Sweetheart Video," says Mile High Media Vice President Jon Blitt. "We want to inject the same passion and love into the storyline of a TransSensual series. Dana Vespoli has done a perfect job, of finding that balance of raw sexuality and true passion."

"TS Love Stories" features erotic sex scenes between beautiful TS girls and Cis men. Gorgeous, snobby Jessica Fox is impatient with assistant Chad Diamond, until he confesses his devotion to her. Aubrey Kate discovers that she and her blind date, Ruckus, have nothing in common, until she lets her guard down. Stefani Special doesn't understand where boyfriend Billie Ramos' fighting ability came from after he beats up a jerk hitting on her at a party. Billie reveals his secret, and the lovers share a tender moment. Finally, emo teen Kory Houston hits on his tutor, Mara Nova, and feels his darkness fall away.

Inspired by Mile High Media and award-winning director Nica Noelle's success with awarded gay romance studio Icon Male, and studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle's distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.

Dana Vespoli is the second director to film movies for TransSensual.

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
