In the series, dominant TS girls show cis men who is the boss. "We had amazing sales numbers for the first volume of 'TS Girls on Top,' as fans really took to the dom/sub themes in a stylish trans movie," says Mile High Media Vice President Jon Blitt. "There's a lot of potential for this series, and I think we'll see it a perennial best seller for TransSensual."

"TS Girls on Top: Volume 2" begins as angry Freya Wynn shows boyfriend Chad exactly how she feels after discovering he has been watching internet porn. Next, high-powered Madame Venus Lux teaches new recruit Ruckus a few tricks before sending him to her best client. In the third scene, furious Mandy Mitchell discovers her maintenance man Sebastian has been spying on her, and she punishes him. Finally, Jenna Tales discovers new boyfriend Chad is hoping she will be the dominatrix he has always dreamed of.

XCritic.com reviewer Apache Warrior viewed Volume 1, [writing](http://www.xcritic.com): "I recommend this Transsensual production. This film shows that trans ladies are very good on top. As we all know, dicks are great for fucking."

Inspired by Mile High Media and award-winning director Nica Noelle's success with awarded gay romance studio Icon Male, and studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle's distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.

Dana Vespoli is the second director to film movies for TransSensual.

With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
