"You can definitely make an argument that this is our best cast yet in our bestselling series," says Mile High Media Vice President Jon Blitt. "We wanted to make the twentieth volume something to remember for fans, as we are thankful for all their support over the years in making this one of the most successful and acclaimed series."

The sensual, deep kissing action continues in "Girls Kissing Girls 20." The four sexy vignettes begin with Bobbi and Cassidy as rival ballerinas. The sexy girls come head to head in the studio after-hours, ready to work out their differences. Editor in Chief Dana is ready to fire writer Chanel after a drunken video of her surfaces on social media. Chanel tries to convince Vespoli otherwise. Reality star Sovereign can't wait to show off her new personal trainer on her TV show, but trainer Lea is really put off by the spotlight. Sovereign tries to persuade the Romanian beauty to see things from a different perspective. Finally, hot mom Cherie seeks guidance from LGBTQ counselor Casey after Cherie's daughter comes out as gay. Casey shows Cherie the best parts of being a lesbian.

"The chemistry is hot," wrote AdultDVIDTalk.com critic Captain Jack in [his review of "Girls Kissing Girls 19."](#) "I love this series from Dana [Vespoli], and if you're a lesbian fan, you should pick this one up!"

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
