"I am really excited about the release of *Darker Side of Desire*," says Jacky St. James. "The scenes are all very unique and erotic and it touches on some very common struggles all of us may face at one time or another. This is my favorite Sweet Sinner Release to date!"

St. James continues, "I'm really proud of the leads, Cassidy Klein and Mickey Mod. They capture the true eroticism and intimacy of this story, and the entire cast showcased a variety of different approaches to BDSM. I hope this film encourages fans to explore their own darker sexual desires."

For several years, Natalie (Cassidy Klein) has been haunted by intensely sexual dreams that leave her eager to explore her more deviant side. But, when she meets a guy (Mickey Mod) who seems to be her perfect match, she's worried that revealing too much about her desires might scare him away. Torn between risking it all and potentially losing something great - Natalie's left wondering if the safest place for her fantasies are in her mind.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couple's orientated erotica. Featuring forbidden sex, emotion and compelling storyline, each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. Jacky St. James joins AVN Hall of Famer James Avalon and Sweet Sinner creator Nica Noelle as directors for the leading couples-friendly studio.
