In “Firemen,” young jock Brandon is rescued from his fraternity house by fireman Rodney, who has some wise words for the young boy after it’s revealed Brandon started the fire. Retired fireman Nick finds cutie Kyler suffering from heat stroke during a hike and whisks him to safety. Lonely, horny firemen Andy and Billy comfort each other in the firehouse barracks, while Armond tenders his resignation to Chief Russo, who is stunned to find out why the younger man is seeking to leave.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High’s studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
