After suffering a knee injury, MMA fighter Jaxton Wheeler is cut from a reality TV show. He returns to the home of his estranged father, whom he has not seen in years. However, his father, a real estate developer, is out of the country, and Jaxton is stuck with his dad's gorgeous TS girlfriend, Mandy Mitchell. Mandy is a woman of sophistication and mystery, who introduces Jaxton to a world that both confounds and seduces him. The young fighter embarks on a journey of self-discovery, with the help of his dad's TS girlfriend.

The first volume of “My Dad's TS Girlfriend” was [named an XCritic Pick](#) by the popular adult review site. Adult reviewer Crimson Clown called the movie “the hottest I've ever seen.” He wrote, “It's erotic, it's alluring, the TS women featured are absolutely mind blowing, and the story is simple...This is an XCritic Pick for sure.”

Inspired by Mile High Media and award-winning director Nica Noelle's success with awarded gay romance studio Icon Male, and studios Sweet Sinner and Sweetheart Video, TransSensual exemplifies Noelle's distinctive style with a slight twist, producing trans-positive erotica, deviating from the typical TS porn genre. TransSensual highlights the most stunning TS performers with an emphasis on ordinary people, confronted with sexual temptation and conflict, focusing on the emotions that fuel real, passionate sex.

Dana Vespoli is the second director to film movies for TransSensual.
