"This Icon Male series really pushes boundaries, and fans love that about it," Mile High Media Vice President Jon Blitt. "Nica Noelle has often incorporated religious themes in her adult movies for Mile High, but 'Forgive Me Father' goes even further and certainly doesn't shy away from controversy."

In "Forgive Me Father: Vol. 5," gorgeous Roman Todd is a sinister priest who can't resist his sexy male parishioners. After seducing troubled street kid Armond, the hot priest develops an insatiable need for vulnerable male flesh. When older married man Brenden confesses his secret desire for other men, Roman agrees to provide some "one on one" counseling that leaves the desperate bottom begging for more. Meanwhile, young priests Michael and Justin indulge in secret, mutual masturbation that leads to intense, passionate sex. Will Father Roman use their scandalous secret to his own lustful benefit?

Movies from Icon Male are unique to the gay marketplace and embody what fans have come to expect from directors Nica Noelle and Dana Vespoli, and Mile High Media – genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
