TS Superstar Aubrey Kate Stars in the 1st Volume of 'TS Nurses' from Director Dana Vespoli

MONTREAL, Quebec (May 17, 2017) – TransSensual is rolling out its newest series for TS porn fans: "TS Nurses." Now available on DVD, the first volume in the gonzo series from director Dana Vespoli stars cover girl Aubrey Kate, as well as Chanel Santini, Tori Mayes, and Isabella Sorrenti.

"Anyone ailing from a case of low quality TS porn needs the cure – a copy of 'TS Nurses' on DVD or VOD," says Mile High Media Vice President Jon Blitt. "TransSensual was created to elevate the TS porn game with bigger budgets and sexier stars, and movies like 'TS Nurses' are a perfect example of the amazing result."

Medical patients are in for a fantastic surprise when stunning TS Nurses arrive to help treat their various ailments. Hypochondriac D. Arclyte refuses to believe he is not dying, even after nurse Chanel tells him so. She must show him how hearty and healthy he really is. After coming out of surgery, Gabriel Dalassandro has visions of his recovery, but nurse Tori helps him recover even faster using her own, special technique.

In the second half of the film, nurse Aubrey and Dr. Jonah Marx have fun behind closed doors. Finally, Chad Diamond is recovering at home after appendix surgery and proves to be a pain in the ass for home nurse Isabella. She finally puts her foot down and sends Chad on the road to recovery with a parting gift.

TransSensual deviates from the typical TS porn genre, producing trans-positive erotica with passionate sex and taboo story lines. TransSensual highlights the most stunning TS performers lead by awarded directors Nica Noelle and Dana Vespoli. TransSensual is the winner of TEA 2016 Best DVD Release for "My TS Student" and recipient of 5 2016 Transgender Film Festival awards including Best DVD for "Aubrey Kate's TS Fantasies."
