"Each new Icon Male series continues to out perform the last in regards to sales, as news of the studio's unrivaled quality spreads throughout the industry," says Mile High Media Vice President Jon Blitt. "The demand leading up to the release of 'Boyfriend Swap' was huge, and we are extremely impressed with how the title is performing."

In the first installment of "Boyfriend Swap," sex-crazed muscle man Billy asks shy, sensitive boyfriend Jackson if he wants to spice up their sex life by going to a swinger's club. Jackson is offended, but when he meets gorgeous European Gabriel at the club, he has a change of heart. Meanwhile, Jaxton takes Billy to a motel for a session of sweaty, hairy, muscle sex that leaves Billy doubting his relationship with Jackson. With explosive, real orgasms and passionate, authentic sex scenes, "Boyfriend Swap" looks at the pleasures and pit falls of sexual exploration.

The DVD includes behind-the-scenes videos and a photo gallery.

Movies from Icon Male are unique to the gay marketplace and embody what fans have come to expect from directors Nica Noelle and Dana Vespoli, and Mile High Media – genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.

## About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led [AEBN.net](#) to name Mile High the 2012 Studio of the Year.
