Jacky St. James calls "Infidelity" "the movie for you if you've ever thought about cheating or have cheated."

Mile High Media Vice President Jon Blitt says, "Relationships, love, and sex are complicated, and Jacky St. James is able to tap into these elements in such an erotic and original way. Her latest movie with Sweet Sinner reflects a diverse array of psyches and choices, presenting the fantasy and follies of cheating as only she can while turning the audience on."

In "Infidelity," Jenn, Lucy, Randi, and Monica all are faced with the same dilemma – to cheat, or not to cheat. With temptation at every corner, the women seek the advice of Dr. Ross (Knight), whose insight into the female psyche serves as a sounding board for each woman and the decisions they must ultimately make. But, when Lucy (Klein) and Dr. Ross' attraction to one another begins to grow, they're left wondering whether the moral high ground is worth traveling anymore.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
