Directed by Bobby Manila, "Office Perverts: Volume 7" is packed with hot babes and wild sex, turning water cooler talk into dirty talk. Kagny's boyfriend is having serious doubts about their relationship, so she plans a surprise visit to the office to save it. Fear of downsizing has one employee looking to get back at management, even if it means taking a run at the boss's daughter, Allie Haze. A coworker's ploy has Blake thinking she's the humanitarian of the year. The only question is, will he be able to keep it up? A manager with stage fright can't seem to get his speech down right. Lucky for him, Marie has a few tricks up her sleeve for him. Revenge is a dish best served cold, but Andy sure likes to heat things up before she drops the bomb on her soon to be ex-boss. Five sexually charged vignettes make "Office Perverts: Volume 7" a must-see!

"Office Perverts: Volume 7" also stars the hottest men in adult entertainment, including Evan Stone, Tommy Gunn, Kris Slater, Justin Magnum and Jack Lawrence.

"It's an honor to have the top talent in the industry excited to come to our sets," states Director Bobby Manila. "We take pride in showing gonzo and vignette style movies can still be high-end productions. Reality Junkies features playful, kinky scenarios, but the production value is top notch – making the studio stand out."

Reality Junkies recently announced the addition of DVD extras to each new release. "Office Perverts: Volume 7" includes 5 behind-the-scenes videos, a slideshow gallery and cumshot gallery.

"Highly recommended," writes [XCritic.com](#) contributor Vincent Pierce regarding the series' previous installment. "This was an excellent example of a DVD with more quality, and less quantity. Every scene offered a different office sex scenario, which kept me interested throughout the entire DVD. I didn't get bored one instance. There were also some performers that were new to me. I like to see fresh faces when it comes to the adult film industry. It helps keep things more lively...The extras that were included also make this DVD more desirable. Overall I believe this DVD is highly recommendable. It's something fresh in the realm of office sex and adult entertainment."

Mile High Media formed Reality Junkies in 2009 to produce XXX reality content. The studio's lines are directed by Bobby Manila and Kevin Moore. Each line provides easily accessible scenarios, which allow for consumers to better enjoy the wild action. In addition to "Office Perverts", Reality Junkies' hit series include "Mom's Cuckold", "Big Breast Nurses", "Cougar's Prey", "Couples Seeking Teens", "Babysitter Diaries" and more!
