“Beautiful young people capturing the excitement of a first kiss is the basis this new movie,” says Jon Blitt, head of production for Erotica X’s parent company, O.L. Entertainment. “First kisses and first sexual experiences are wrapped in nostalgia, which is why we thought it perfect to set the scenes in different periods of time – the result is another fantastic couples-friendly film from Erotica X.”

“First Kiss” stars Lily Jordan, Lily Adams, August Ames, Arielle Faye, Gia Page, Lucas Frost, Rion King, and Ryan McLane.

In “Make Me do Bad things,” 50s bad boy Lucas takes his girlfriend Lily for a ride. He steals a kiss and then he steals something else! To view the trailer, click [here](#).

August and Gia are hard at work on a psychology experiment when they discover a strong attraction in “She’s All I Want.” It’s the swinging 60s after all, and girls are trying all sorts of things. To view the trailer, click [here](#).

Lily and Rion are out camping during the 70s, and in the confines of the tent, they learn neither has been kissed. “It All Starts with a Kiss” ends with explosive orgasms! To view the trailer, click [here](#).

It’s the 80s and girls just want to have fun, when Arielle goes looking for her girlfriend to study with, she instead finds her friend’s brother, Ryan. Arielle decides instantly she wants him for her first kiss and fuck! To view the trailer, click [here](#).

In addition to releasing “First Kiss” on DVD, all four scenes are available to members on Erotica X’s site, [EroticaX.com](#). All content on [EroticaX.com](#) is 100% exclusive and filmed in HD. Each week, the site will receive three updates – two HD photo sets and one HD video.

Scenes from [EroticaX.com](#) are unlike anything else on the marketplace and a slight departure from what fans have come to expect from studio founder Mason. Erotica X features beautiful and intimate exchanges between performers; the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results. Previews are constantly provided via the studio’s blog, <http://blog.eroticaX.com>.
