"Age of Innocence," tells the story of a sensitive teen Troy Accola who must take care of his troubled mom and work a full-time job instead of going to school. But on one of his lonely walks by the lake, he happens upon older fisherman Rodney Steele, who hands Troy a rod and teaches him to fish. Soon fatherless Troy is escaping his difficult life by staying at Rodney's, where he meets hot, manly couple Jaxton Wheeler and Pierce Hartman. But soon, Troy is forced to choose between his idyllic life with fatherly Rodney or his family obligations.

Since Nica Noelle directed her first movie in 2006, the award-winning filmmaker is known for her eclectic vision that encompasses straight, gay, trans and lesbian-themed adult films that stress sex-positive scenarios and themes that celebrate sexuality and personal expression. Earlier this year, she earned Trans Director of the Year honors at the 2017 XBIZ Awards.

Movies from Icon Male are unique to the gay marketplace and embody what fans have come to expect from directors Nica Noelle and Mile High Media – genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.

Growing market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line) and TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
