“Jacky perfectly captures the complex dynamic of the mother-daughter relationship in this new volume of the erotically-charged series,” said Mile High Media Vice President Jon Blitt. “With a talented cast of performers, Jacky brings out the hunger and need for love and sexual pleasure in these riveting characters!”

“My Girlfriend’s Mother 12” opens with Logan, who is frustrated with his fiancé Eliza’s need to keep her emotions on a surface level. But to Eliza, it was ultimately a falling out with her mother, Alexis, that created this disconnect for her. Desperate to repair his fiancé’s broken relationship with her mother, Logan goes to visit her one afternoon. Beautiful Alexis is candid about her and Eliza’s past, and it’s her openness that quickly draws Logan in. Torn between mending a relationship between a mother and a daughter and fulfilling his own need for intimacy and connection, Logan is now left with the biggest decision of his life.

“Mother-daughter relationships are always complex and when you throw a man in the middle of it, things get even more interesting,” St. James said. “This movie has great interplay and a strong connection

between the performers which gave us powerful drama and intense sexual performances!”
