Greenwood comments on the release of his first erotic feature saying, "I'm incredibly proud of this feature and thankful to all involved, especially the cast. Charlotte Stokely is perfection in her lead role as a conflicted nun and I agree with critics that she deserves award consideration for her performance, as do all of the ladies involved. I want to give Sweetheart fans the ultimate cinematic experience, while capturing all-girl eroticism in 'Confessions of a Sinful Nun' and if the reviews are an indication then I've succeeded."

"Confessions Of A Sinful Nun" has been met with rave reviews and critical acclaim. Christina of AIPDaily.com says, "Mixing anything religious and porn is always a risky endeavor. Sometimes it is done well and sometimes it's done terribly and I am happy to say that for this movie it was done really well."

Xcritic.com reviewer Apache Warrior has high praise stating, "This film is a very fine one that will be nominated for several awards. It has to be nominated for Best All-Girl Release. Charlotte Stokely needs to be nominated for Best Actress and Nina Hartley for Best Supporting Actress...There is very good acting by the ladies with real hot sex that means something to them and their characters. I **highly recommend** this film."

Market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple's erotica line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (gay romance line), TransSensual (TS romance line) and most recently Cherry Pop Films (all teen gonzo line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD, DVD and mobile applications.
