LaRue continues, "Having newcomer Danny Gunn and seasoned vet Kristofer Weston made this project that much more special. I found Danny on Twitter and when he agreed to do this, I was very excited. This is his first feature and I see great things for this sexy young man. Kristofer has been behind the camera for a while and recently just started doing scenes, so I'm lucky to have him. The rest of the cast headed by superstars Michael DelRay and Dane Stewart make this the perfect movie."
