“Dana takes an erotic look a very twisted fairy tale of her own making,” said Mile High Media Vice President Jon Blitt. “With a touch of whimsy, suspense and intense sexual energy, ‘Lesbian Stepmother 3’ is full of highly-charged performances from a dynamite all-girl cast!”

“Lesbian Stepmother 3” pays homage to folk tales and classic horror films as it tells the story of young Elsa Jean Simmons, who is held prisoner in her home after the disappearance of her father. Her evil stepmother, played by Dana Vespoli, keeps Elsa on a grueling schedule of chores as odd and mysterious events occur after dark. Elsa is haunted by dreams of beautiful, ravenous demons when her

stepmother's assistant Elexis Monroe offers some clues as to what Elsa is being groomed for.

Critic [Rick L. Blalock](#) gave the film high marks saying, "I enjoyed the imagination that Dana Vespoli put into this one, as she took a fairy tale setup and made it a tale far more dark and twisted. If you have not seen, nor heard of LESBIAN STEPMOTHER 3 I would highly recommend that you check this one out. You just might be surprised by it as much as I was. The story is nicely crafted, and everyone does well. Elsa Jean was perfect for this particular role."
