In "The Stepmother 5: Her New Son", beautiful blonde Tanya is all set to marry handsome divorcée Dale and move in with her teenage son and his pregnant fiancée. But Dale's ex-wife Magdalene is still bitter about the divorce – and about the new sexy blonde taking her place. Enraged and vengeful, Magdalene sets her sights on Tanya's son, Seth, and they begin a torrid affair. When Tanya discovers evidence of their trysts, the busty MILF decides to turn the tables – and pay a visit to Magdalene's son, Xander.

Writer / Director Nica Noelle states, "One woman scorned is bad enough, but 'The Stepmother 5' showcases two women hell bent on revenge. Tanya and Magdalene really sunk their teeth into the roles, enjoying the chance to seduce a couple of young studs. With its loyal fan base, 'The Stepmother' series provides the perfect platform to feature some of the best and hottest mature performers in the industry."

Recently Mile High Media announced the inclusion of DVD extras in all future releases from Sweet Sinner and Sweetheart Video. "The Stepmother 5" features 4 BTS videos and a slideshow gallery to enhance the movie. [AdultDVDTalk.com](http://AdultDVDTalk.com) reviewer Astroknight was impressed by the

extras in Sweet Sinner's "The Babysitter 4". He writes, "This is a fantastic behind-the-scenes featurette and definitely what Sweet Sinner's releases have been missing...It packs in some great chats with the cast and an even better look at the chemistry between them. This may be the first behind-the-scenes featurette I've seen from Sweet Sinner, but they've definitely made it worth the wait and done it right."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
