“Carmen does an amazing job as a seductive little sister who finds herself growing attracted to her stepbrother,” said Mile High Media Vice President Jon Blitt. “Jacky gets some great performances as her lead characters struggle with forbidden lust and the taboo sexual connection between them.”

“Sibling Seductions 2” begins with Carmen having insane fantasies since her stepbrother, Damon moved in. However, unable to act upon her desires, she takes to the Internet and writes down her most deviant thoughts in a blog called TheDirtyStepsister.com. The blog becomes Carmen’s online diary which she assumes is only for her eyes, until she starts receiving emails from other stepsisters that share similar fantasies and before long – they’re encouraging Carmen to pursue what she wants most – her stepbrother.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couples oriented erotica. Each sex scene reveals the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her and passionate enough for her.
