

SWEET SINNER & JACKY ST. JAMES PRESENT 'FAMILY HOLIDAY'

*The Acclaimed Filmmaker Blends RomCom & Erotic Family Dysfunction
For The Ultimate Holiday Tale!*

MONTREAL, Quebec (Nov. 29, 2017) – [Mile High Media](#)'s couples' erotica studio [Sweet Sinner](#) presents "Family Holiday." Award-winning director Jacky St. James blends romcom and taboo family dysfunction in the ultimate holiday release, now available on DVD.

The cast includes Mona Wales, Lena Paul, Reagan Foxx, Kristen Scott, Tommy Gunn, Lucas Frost, Logan Pierce and Chad Alva. The DVD features four hardcore sex scenes shot in HD along with exclusive behind-the-scenes footage, a slide show and more.

"Family gatherings during the holidays can be pretty stressful, inappropriate and hilarious, when you toss sexual attraction into the mix you get 'Family Holiday,'" St. James said. "It's a very enticing story thanks to amazing performances by our talented cast that dove head first into this erotic world of drama and attraction between two twisted families!"

"Family Holiday" tells the story of Dallas and Tate who decide to spend Christmas meeting one another's respective families, but they have no idea the kind of drama and seduction that will unfold. Faced with two very different upbringings and sexual entanglements that are far more complex than either can imagine, they must decide whether their relationship can survive one another's families.
