“This intense new release from Sweetheart Video is not to be missed,” said Mile High Media Vice President Jon Blitt. “It’s four enticing and erotic vignettes of gorgeous lesbian bosses with a passion for strap-on sex. A fitting second outing for the sexy new series with a stellar cast of adult superstars.”

In the second edition of Sweetheart’s “Lesbian Strap-On Bosses,” beautiful lesbians enjoy being strapped and gently dominated. It opens with luscious personal assistant August Ames who gets caught slacking on the job, and boss Angela White must discipline her. Next, Kissa Sins must contend with her angry lesbian lover, played beautifully by Natalia Starr. Natalia will not tolerate cheating from Kissa, and teaches her a lesson.

In scene 3, popular college girl Charlotte Stokely has been taking advantage of nerdy, straight-A student Penny Pax for far too long. Penny lets Charlotte know that she will not take things lying down. Then, set designer Dana DeArmond is disappointed in sexy assistant Zoe Clark’s work performance and decides to show her exactly what must change.

Sweetheart Video creates original, innovative lesbian erotica carefully cast, and always containing real lesbian encounters. All captured by today's' pioneering female director Dana Vespoli. www.sweatheartvideo.com
