“Boys of Summer,” begins when hot bad boy Roman Todd gets room and board in a beautiful house in exchange for “servicing” his older landlord Max Sargent. When they meet gorgeous teens Troy Accola and Armond Rizzo at the lake, the hot foursome start to bond – especially sensual hairy Brendan and power bottom Armond. Jealous twink Troy catches on to the sexual tension and tempers flare as romantic summer passions explode into lust-filled rage.

Movies from Icon Male are unique to the gay marketplace and embody what fans have come to expect from directors Nica Noelle and Dana Vespoli, and Mile High Media – genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line) and TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
