"Fans of the first installment will have a lot to love in this sequel which features some of the hottest sex scenes I've ever shot," Jacky St. James said. "Gia and Steve Holmes have an amazing on-camera chemistry that truly captures her compelling submissiveness and his overpowering persona as they delve deeper into the BDSM lifestyle."

St. James continues, "I want couples to embrace their naughty side this Valentine's Day and this film can be the perfect aphrodisiac to unlock some of their kinky desires."

"Darker Side of Desire 2," opens with Sydney at a cross roads. Having abandoned the BDSM lifestyle after her inability to accept that she wasn't "normal," Sydney finds herself desperately missing it. Unable to dive right back in, she decides to write her thesis on BDSM and the pursuit of abnormal sex. Her research includes interviewing three women in the lifestyle.

But, as Sydney delves deeper into the lives of these women, she finds herself longing to return to her role as a submissive. Sydney's interviews lead to a man named Michael - known for helping women realize their darkest desires. After a brief encounter, Michael gives Sydney the ultimate challenge – give him 24 hours to entice her back into the lifestyle. Sydney must now decide if she is brave enough to venture deeper into the kinky world that scares and excites her, or if distance is enough to whet her appetite.
