“James explores the world of couples and their kinky fantasies coming to life, in this second chapter of the series,” said Jon Blitt, head of production for Erotica X’s parent company, O.L. Entertainment. “With leather restraints, melted wax and other sensual stimulation, these adventurous couples find intense passion and deep desire like never before. It’s an extremely compelling second installment from a true erotic master.”

“A Taste of Kink 2” features a range of sensual experiences that arouse and stimulate such as a little light bondage, teasing a peeping tom with licking and edge play, some sightless-touching with aural stimulation, to feeling the burn of hot wax on her erogenous zones...It’s a little taste of kink for amorous adventurers.

The DVD features four hardcore sex scenes shot in HD, along with a photo slide show, animated chapter index, movie trailers and more.

Erotica X features beautiful and intimate exchanges between performers – the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results. Previews are constantly provided via the studio’s blog, <http://blog.ericax.com>.
