When warm, loving mom Autum Moon hits middle age, she finds herself adrift in a loveless marriage and ignored by college-bound daughter Marie. When Marie brings home new boyfriend Austin, the older blonde and young stud feel an instant connection. One night while Marie is at a party and Autum's husband, Evan is out with his mistress, Annie, Autum and Austin find themselves alone. Autum worries about betraying her husband and daughter, but her lust for the gorgeous young man is strong.

"Every woman has felt desire for a younger man, but when he's the boyfriend of your daughter, things become complicated," says Nica Noelle. "I love this series because of the conflict it creates in the protagonists. In volume 5, Autum must decide whether her sexual needs outweigh her feelings of guilt. When the guy is as hot as Xander, sometimes you need to tell the voice in the back of your head to 'shut it!'"

Recently Mile High Media announced the inclusion of DVD extras in all future releases from Sweet Sinner and Sweetheart Video. "My Daughter's Boyfriend 5" features a slideshow gallery with beautiful glamour and sex photos from the movie.

"My Daughter's Boyfriend: Volume 1" was the recipient of AEBN's 2010 Best Feature Award, presented to the most viewed video-on-demand release of the year. AEBN.net (Adult Entertainment Broadcast Network)

houses over 100,000 VOD titles, and “My Daughter’s Boyfriend: Volume 1” was viewed by the site’s three million consumers more than any other feature movie.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
