“James explores what happens behind closed doors in the suburbs with his seductive cast of adult stars” said Jon Blitt, head of production for Hard X’s parent company, O.L. Entertainment. “Jill, Sheena, Cherry and Moka are exceptional as they tap their wildest fantasies in this erotic tale of sex and voyeurism between neighbors.”

“Erotic Affairs 2” tells the story of asexually inquisitive, but bored housewife who discovers that her husband’s unused drone can be a great tool in spying on the erotic activities of some of her neighbors. She soon discovers that the woman living two houses up the street is cheating with the mailman, another man is having an affair with his neighbor’s stepdaughter and the professor across the street is having some “private” tutoring sessions with one of his female students. It’s all in good fun, especially when she shares her discoveries with one of her husband’s friends, for a little erotic affair of her own.

Shot in HD, “Erotic Affairs 2” includes exclusive behind-the-scenes footage, a photo slide show, animated chapter index and more.

Erotica X features beautiful and intimate exchanges between performers – the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results. Previews are constantly provided via the studio’s blog, <http://blog.ericacx.com>.
