"Dana deftly captures the beauty and sensuality of gorgeous TS girls taking charge in this series that explores the temptation and power dynamic of the workplace," said Mile High Media Vice President Jon Blitt. "Cover girl Lena Kelly is passion personified in this opening installment as she puts on an incredible performance as do Korra, Nikki and Casey who are simply outstanding in their scenes."

"TS Bosses" opens with school principal Casey Kisses who must contend with an unorthodox new teacher, played by Ruckus, who is a little too progressive for the parents' taste. While Casey attempts to put him in line, Ruckus attempts to open her mind. Next, lazy security guard Lance Hart is in big trouble with store owner Korra Del Rio who is ready to fire him unless he can convince her otherwise. Then, administrative assistant Chad Diamond has had enough of being sexually harassed by boss Lena Kelly and decides to confront her, but she refuses to back down. Finally, diagnostician D. Arclyte is in big trouble with Dean of Medicine Dr. Nikki Vicious when she catches him napping in a hospital room. D. tries to sweet talk his way out of losing his job, but Nikki requires a lot of convincing.

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line), TransSensual (TS erotica line) and recently launched Cherry Pop Films (teen gonzo line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
