

ABELLA DANGER STARS IN SWEET SINNER'S GRIPPING FEATURE 'PAPARAZZI'

Jacky St. James Directs a Tale of a Woman's Struggle to Make It in the Decadent World of Hollywood's Paparazzi!

MONTREAL, Quebec(Sept. 26, 2018) – Adult superstar and 2016 AVN/XBIZ/XRCO Best New Starlet Abella Danger takes on the world of celebrity photographers in director Jacky St. James erotic drama, "Paparazzi," from [Mile High Media](#)'s couples' erotica studio [Sweet Sinner](#). The gripping feature is now available on DVD.

Written and directed by Jacky St. James, "Paparazzi" stars Danger in the leading role along with Ivy Wolfe, Jade Nile, Mona Wales, Tommy Gunn, Chad Alva, Small Hands and Ramon Nomar in an erotic tale of the twisted underside of Hollywood's celebrity culture. The DVD features four hardcore sex scenes shot in HD along with exclusive behind-the-scenes footage, a slide show and more.

"The lovely Abella Danger shows her dramatic and erotic side with intensity and complete abandon as a young paparazzo staking her claim as a photographer in Hollywood," St. James said. "She shows us the seedier side of show biz as her character loses herself to her passion and ambition as she plays opposite our talented cast who perfectly embody these gorgeous, but flawed people in this erotic drama."

Critics can't say enough good things about St. James newest feature. Don Juan DeMarko of Xcritic comments, "Just finished screening the film. Speechless. I just cannot put into words how good this film is. Ivy's role, one of the best damn acting jobs & sexual performance combinations I've ever seen in a new starlet. Small Hands, my goodness, he is a true performer."

He continues, "Script, the story, it has so much depth and it truly keeps the audience wanting more. How many times can that be said these days? Jacky, I can tell so much was put into this film. It is truly a masterpiece." Read the full review here: <https://www.xcritic.com/review/44543/paparazzi/>

"Paparazzi" tells the story of Desi, who moved to Hollywood with her boyfriend Danny, hoping that her dreams of becoming a famous photographer would come true. But, when it doesn't, she resorts to taking "celebrity photographs" to make ends meet. It's a tough job with tougher consequences when she realizes that to succeed as a paparazzo she has to abandon all ethics and morals and go after the money shot. As Desi falls deeper into the world of celebrity – pushing already fragile people to their near breaking point, she gets off on the power she has to control people's lives. Her inability to discern right from wrong anymore concerns Danny, who begins wondering whether he has completely lost his love to the dark side – or if she can be saved from Hollywood.
